

# KGS2!

Kids Get Scleroderma, Too!

## Kids Get Scleroderma, Too!

*A Virtual Conference for Parents and Guardians of Children Who Have Scleroderma - October 23, 2021*

The 2021 **Kids Get Scleroderma, Too!** conference (KGS2) is geared toward educating parents and guardians with up-to-date information to help them best navigate their child's disease.

To relieve the pressure of yet another virtual meeting for children, youth are not the primary participants this year.

***This conference is free.*** The one-day, virtual event takes place **Saturday, October 23** from **11 a.m. to 3 p.m.** Eastern Time. Register at [www.scleroderma.org/2021KGS2](http://www.scleroderma.org/2021KGS2).

KGS2 works closely with leading pediatric rheumatologists, who present essential information to help families navigate their scleroderma journey and find their best path forward in an environment that promotes new connections.

*Kids Get Scleroderma, Too!* is a program of the Scleroderma Foundation, 300 Rosewood Drive, Suite 105, Danvers, MA 01923 | [scleroderma.org](http://scleroderma.org) | (800) 722-4673
